

**Dr. ASAD ULLAH**

**H.No 3558 Outside Yaka Toot Shad Bagh Colony Peshawar, Mob-03005824733.**

**Summary:**

Seventeen years working experience in Government & donor assisted project, especially in Mansehra (Forest manager) and Balakot (UNDP training program consultant) remaining lecturer in Sociology at Kohat University of Science and Technology and The University of Agriculture Peshawar for six years and as Assistant Professor in Department of Rural Sociology the University of Agriculture and taught subject of Sociology at Post Graduate level besides supervising research. I worked as a team member in preparation of a number of Resource Management Plans, conducted training programs at community level and research on the dependency of communities on Natural Resources for their livelihood. I have played an important role in the coordination of different teams to develop pilot Village Plans focused to formulate interventions based on Human Rights, Poverty Alleviation, Capacity Building and Decentralization; and participated actively in the elaboration of the concept "Participatory Resource Management". I have performed "Participatory Monitoring & Evaluation", "Livelihood Strategies", "Capacity Building", "Participatory Technology Development", "People Centered Approach", preparation of PC-1/project proposal etc.
