

Prof. Dr. Bashir Ahmad

List of Publications

1. M. Shahid, B. Ahmad and G. Hassan, 2010. Effect of natural and synthetic herbicides on wheat and its weeds in Peshawar. *Pakistan Journal of Botany*. 2010 accepted for publication.
2. M. Akbar, B. Ahmad, M. Arif, G. Ahmad, Z. Shah and W. Jianhua 2009. Water absorption and priming with osmotica responses on germination of pearl millet cultivars. *Sarhad J. Agric.* Vol. 25, No. 1, 2009
3. S. Ovchinnikov, B. Ahmad and V. Gurko 2008. The new Genus of the Spiders Selected from Structure Polyphyletic Genus *Zodarion* (Araneae: Zodariidae). Accepted for publication No. 114/290 (6766) dated 18-7-2008.
4. Ahmad B, V. Dubatolov and V. Gurko 2008. New Faunistic Records of Tiger Moth in Western Pakistan (Lepidoptera: Arctiidae Arctiinae) Accepted for publication No. 114/291 (6763) dated 18-07-2008
5. S. V. Ovtchinniko, B. Ahmad and M. Inyatullah 2008. Description of a new Spider Species of the Genus *Gnaphosa* (Araneae, Gnaphosidae) from Pakistan. *Journal of Vestnik Zoologii*, 42(1): 81-83, 2008.
6. M. Shahid., B. Ahmad, R. A. khattak and M. Arif 2007. Integration of Herbicides with Aqueous Allelopathic Extracts for weeds Control in Wheat. *African J. of Crop Science*. Vol 8: 209-212.
7. M. Shahid., B. Ahmad, R. A. khattak and G. Hassan 2007. Integrated Effects of Allelopathy and Synthetic herbicides on Wheat and it Weeds in Peshawar. *Proceedings of 21st Asian Weed Science Society*. October 2-6, 2007, Colombo, Sri lanka. PP 442-447.
8. M. Shahid., B. Ahmad, R. A. khattak, G. Hassan and H. Khan 2006. Response of Wheat and its Weeds to different Allelopathic Plant Water Extracts. *Pak J. Weed Sci. Res.* 12(1-2): 61-68.
9. M.J. Hassan; Z. Zhu; B. Ahmad and Q. Mahmood 2006. Influence of Cadmium Toxicity on Rice Genotypes as affected by Zinc, Sulfur, and Nitrogen Fertilizers. *Caspian . of Env. Sciences* 4 (1): 1-8.
10. Amir, Z. K., P. Shah, S. K. Khalil and B. Ahmad. 2005. Yield of Soybean cultivars as affected by planting dates under Peshawar valley conditions. *Nucleus* 40 (1-2): 112-116.
11. Ali, T., S. Anwar, W. A. Shah and B. Ahmad 2004. Response of maize Hybrids / Cultivars to various levels of Potassium and irrigation Frequencies. *Journal of Agronomy* 3 (3): 201-207, 2004.
12. Akbar, H. S. Din M. Shafi, J. Bakht, B. Ahmad and H. Khan 2000. Yield and yield components of wheat and gram planted in monocultural and in combination at different row direction and crop geometry. *Sarhad J. Agric.* 16(3): 237-246.
13. Shah R., B. Ahmad, M. Shafi and J. Bakht 2000. Maturity studies in hybrid and open pollinated cultivars of maize. *Pakistan J. Biological Sciences* 3(10): 624-626.
14. Rehman, S.B. Ahmad. J. Bakht and M. Shafi 2000. Response of various wheat cultivars to different salinity levels at early seedlings stage. *Pakistan. J. biological Sciences* 3(7): 1161-1193.

- 15 Rehman, S.B. Ahmad, M. Shafi and J. Bakht 2000. Effect of different salinity levels on the yield and yield components of wheat cultivars. *Pakistan. J. biological Science* 3(7): 1161-1163.
- 16 Ahmad B, I. Muhammad, H. Khan and S.Z. Iqbal 1999. Seed production and yield component as effected by age, size and spacing of sticklings in turnip (*Brassica Rape L.*). *Sarhad J. Agric.* 15(5) L 399-404.
- 17 Ahmad, B., I. Muhammad. M. Shafi, H. Akbar, H. Khan and A. Raziq. 1999. Effect of row spacing on the yield component of wheat (cultivar, Bakhtawar-92) *Sarhad J. Agric.* 15(2): 103-106.
- 18 Zada, K. S. Malik and B. Ahmad 1999. Educational Strategy and Innovation for Sustainable Development of Open Learning. In Kwan, A (ed) *Proc. Int. Ist Pan Commonwealth Forum on opening learning.* Bruanai Darussalam. March 02-05, 1999.
- 19 Ahmad, B. and K. Zada. 1997. Effect of seed weight on germination, root and shoot length and seed yield in Bajra (Pearl millet) under dry land conditions. *Journal of Science .& Technology.* 21: 19-21.
- 20 Mohammad., S. B. Ahmad, R. Santos and S. Khan. 1996. Effects of Gibberellic acid on the fruit quality and maturity of Cresthaven Peaches. *Scientific Khyber.* 9(1): 21-28.
- 21 Quresh., Z, B. Ahmad and A. Rauf. 1995. Production and procurement of maize and soybean seeds in the NWFP. *Proceedings October 1995*
- 22 Ahmad, B. Aslam K., I. Awan and A. Aziz 1994. Effect of different times and rates of nitrogen application on the rice variety. KSK-282. *Journal of Science. & Technology.* 1994:15-18.
- 23 Hampton. J.G., Bashir Ahmad et. Al., 1992. Report of the vigor test committee 1989-1992. *Seed Science. & Tech.*, 20(1): 11-14
- 24 Ahmad, B., et al., 1992. Report of the tetrazolium committee 1989-1992. *Seed Science and Technology.* 20(1): 183-185
- 25 Ahmad, B., J.C. Delouche and M.Iqbal 1990. Evaluation of non-germinative methods for measuring field deterioration and seed vigor in corns (*Zea mays*). *Int: Satt: Symposium on Seed Science. & Tech.* Haryana State University, Hisar, India. Page 27-36.
- 26 Shafi, M. M. Hatam, M. Iqbal and B. Ahmad. 1990. Effects of various lodging and row direction on the yield and yield components of wheat cultivars "Pak-81" *Sarhad J. Agric.* 6(4): 321-323
- 27 Ahmad, B., Hidayatullah, H..Rahman, M. Iqbal and S. Afzal, 1990. Effect of complex fertilizers and different frost covers on the development of Tobacco seedlings. *Sarhad J. Agric.* 6(3): 213-217.
- 28 Ahmad, B., J.C. Delouche and M.Iqbal 1990. Evaluation of non-germinative methods for measuring field deterioration and seed vigor in corns (*Zea mays*). *Int: Satt: Symposium on Seed Science. & Tech.* Haryana State University, Hisar, India. Page 27-36.
- 29 Ahmad, B., and J.C. Delouche, 1989. Influence of pericarp thickness on dry-down rate in corn seed. *Alabama Electron Microscopy Society, JEMPT Abstracts, USA.*

- 30 Ahmed, B., M. Hussein., P. Shah and M. Karim, 1985. The Response of Sunflower plant populations to Diammonium phosphate (DAP) application on fallow land and in sugarcane crop. Sarhad J. Agric., 1 (1): 1-10
