Instructions for poster presentation

Dear colleagues,

Following are instructions for poster presentation,

- Poster presentations should be in English.
- The maximum poster size is 90 cm (35 inches) wide and 150 cm (60 inches) high, and is preferably in A0 format (84.1cm x 116.9cm).
- Title, author's names and affiliation should be included at the top of the poster. Presenting author name should be underlined.
- The poster should consist of objectives, methods, results and discussion. It should be clear, simple and self-explanatory: although time will be reserved for poster viewing and discussion, posters must be understandable in the absence of the author.
- All figures and tables must have headings, labeled axes and legends. Lettering should be readable from a distance of 1 m.
- Poster presenters are responsible for mounting posters and removing them at the end of the day. Materials for poster mounting will be provided by the organizing committee.
