CONTENTS

CROP PRODUCTION SCIENCES

Response of Different Wheat Varieties to Various Row Spacing
Jehan Bakht, Ziaul Qamer, Mohammad Shafi, Habib Akber, Masood-ur-Rahman,
Nazir Ahmad and M. Javed Khan ................................................................. 839

Response of Rice to Soil and Foliar Application of K₂SO₄ Fertilizer
A. Ali, I.A. Mahmood, F. Hussain and M. Salim ............................................. 847

Effect of Phosphorus Application on Wheat and Rice Yield under Wheat-Rice System
Rahmatullah Khan, Ali Raza Gurmani, Akber Hussain Gurmani, and M. Sharif Zia ................................................................. 851

Role of Total Plant Dry Weight in the Assessment of Variation for Salinity Tolerance in
Gossypium hirsutum (L.)
Muhammad Arshadullah and Syed Aleeem Raza Zaidi ......................................... 857

Variability in Forage Yield of Oats under Medium Rainfall of Pothowar Tract
Allah Bakhsh, Ashiq Hussain, Sartaj Khan, Zulfiqar Ali and M. Imran ......................... 867

Response of Wheat to Source, Type and Time of Nitrogen Application
Tariq Jan, Mohammad Tariq Jan, Muhammad Arif, Habib Akbar and Sajid Ali ............... 871

Response of Maize Varieties to Phosphorus and Potassium Levels
Nazim Hussain, Amir Zaman Khan, Habib Akbar, Nabi Gulam Bangash and
Mohammad Idrees ................................................................. 881

Evaluation of Various Methods of Fertilizer Application in Potato (Solanum Tuberosum L.)
Shah Masaud Khan, Nasrullah Jan, Itfai Ullah, Muhammad Younas and Hidayat Ullah ............................................................ 889

NRL 2017: A High Yielding Drought Tolerant Wheat Strain for Rainfed Areas of NWFP
Farooq-i-Azam, Abdul Jabbar Khan, Akhtar Ali and Muhammad Tariq ......................... 895

Effect of Various Amended Organic Media on the Tuberculosis of Caladium cultivars
Muhabat Shah, Abdul Mateen Khattak and Noor-ul Amin ......................................... 899

The Influence of Ion Leakage in Potato Tubers during Storage
Ihsanul Haq, Asif ur Rehman Khan, Nasrullah Jan Malik, Rohan Shah
and Duri Iman Khan ................................................................. 905

Effect of Different Nitrogenous Fertilizers on the Growth and Yield of Three Years Old
Tea (Camellia Sinensis L.) Plants
Sair Sarwar, Fayaz Ahmad, F.S. Hamid, B.M. Khan & Faisal Khurshid ................................................................. 907

Effect of Planting Density on Growth and Yield of Onion Varieties under
Climatic Conditions of Peshawar
Nasir Mahmoud Dawar, Faridullah Khan Wazir, Manhaj-ud-Din Dawar and Shah Hussain Dawar ................................................................. 911
Effect of Indole Butyric Acid and Types of Cuttings on Root Initiation of *Ficus hawaii*
Muhammad Ismail Siddiqui and Syed Asghar Hussain ................................................................. 919

Response of Exotic Tomato Lines to Different Light Intensities
Abdul Mateen Khattak, Abdul Salam and Khalid Nawab ................................................................. 927

Response of Onion (*Allium cepa*) Growth and Yield to Different Levels of Nitrogen and Zinc in Swat Valley
Arshad Ali Khan, Muhammad Zubair, Abdul Bari and Fazal Maula .................................................. 933

Combining Ability in the F₁ Generations of Diallel Cross for Yield and Yield Components in Wheat
Ghulam Hassan, Fida Mohammad, Saleem Shah Afridi and Iftikhar Khalil .......................................... 937

Genotypic Variation for Yield and Morphological Traits in Wheat

Characterization of Wheat Genotypes for Yield and Yield Associated Traits against Terminal Heat Stress
Ubaidullah, Raziuddin, Tila Mohammad, Hafeezullah and Sardar Ali ................................................... 947

Inheritance of Important Traits in Bread Wheat over Different Planting Dates Using Diallel Analysis
Farhad Ahmad, Fida Mohammad, Muhammad Bashir, Saifullah and Hakim Khan ................................. 955

Genetic Improvement in Yield Related Traits of Wheat Under Irrigated and Rainfed Environments
Nadia Afridi and Iftikhar Hussain Khalil .............................................................................................. 965

Genetic Parameters for Yield Traits in Wheat Under Irrigated and Rainfed Environments
Imran Khan, Iftikhar Hussain Khalil, and Nasir-ud-Din ................................................................. 973

Genotypic Performance of Segregating Wheat Populations at Kaghan
Muhammad Ali, Fida Mohammad, Sultan Akbar and Farhad Ahmad .................................................. 981

Genetic Analysis of Yield and Some Yield Components in Sunflower
Hakim Khan, Sultan Muhammad, Rohan Shah and Nayyer Iqbal ............................................................ 987

Finding of Suitable Planting Date of TPS Parents for Hybrid Seed Production
In Northern Areas of Pakistan
Nizamuddin, Bushra Mirza and Maqsood Qamar ............................................................................... 991

Assessment of Partial Resistance in Seven Spring Bread Wheat Genotypes to Stripe Rust (*Puccinia striiformis*) under Field Conditions
Maqsood Qamar, M. Yaqub Mujahid, M. Anwar Khan, Zaheer Ahmad, Nafees S. Kisana and Atiq-ur-Reman Rattu ...................................................................................................................... 1003

Evaluation of Maize Hybrids/Synthetics under Double Cropping Zone of Northern Areas of Pakistan
Maqsood Qamar, Zulfiqar Ali Gurmani, Haq Nawaz Malik and Sikander Khan Tanveer .......................... 1009

M.G. Khan, W.Ahmad, G. S. S. Khattak, Siraj-ud-Din and H. Ahmad .................................................. 1013
Effect of Integrated Nutrient Management on Crop Yields in Rice-Wheat Cropping System
*M. Umar Khan, M. Qasim and Israr Ullah Khan*……………………………………………………………………………………………………1019

Improving Nitrogen Fixation Capacity and Yield of Mungbean and Mashbean by Phosphorous Management in Pothowar
*Sarosh Tariq, Safdar Ali, Shahzada Sohail Ijaz*……………………………………………………………………………………………………1027

Effect of Zn Fertilizer on Rice Grown in Different Soils of Dera Ismail Khan
*M. Umar Khan, M. Qasim and Israrullah Khan*…………………………………………………………………………………………………..1033

Assessment of the Quality of Jehlum River Water for Irrigation and Drinking at District Muzaffarabad Azad Kashmir
*Sair Sarwar, Fayaz Ahmad and Jamal Khan*………………………………………………………………………………………………………1041

Evaluation of Water Management Practices at Three Outlets of Joe – Sheikh (Canal) Peshawar, Pakistan
*Nisar Ahmad, Javed Akhtar Tariq, M. Zubair khan and M. Ahmad Shah*…………………………………………………………………………………………1047

Effect of Different Irrigation Schedules On Water Use and Yield of Wheat
*Mohammad Jamal Khan, Tahir Sarwar, Aneela Shahzadi, and Abdul Malik*………………………………………………………………………………………1055

Use of Hydrodynamic Modeling to Assess the Performance of Dagai Distributary of Maira Branch of Upper Swat Canal Irrigation System
*Muhammad Zubair Khan, Abdul Razzaq Ghumman, Munsoor Khan Khattak and Gul Daraz Khan*……………………………………………………………………………………1061

CROP PROTECTION SCIENCES

Fungi Associated With Black Point of Wheat in the NWFP
*Zishan Gul, Shaukat Hussain and Syed Jawad Ahmad Shah*……………………………………………………………………………………………………1067

Mode of Inheritance of Resistance to Mungbean Yellow Mosaic Virus (MYMV) in Mungbean (*Vigna radiata* (L.) Wilczek)
*M.G. Khan, W. Ahmad, G. S. S. Khattak, Siraj-ud-Din and H. Ahmad*…………………………………………………………………………………………..1071

Evaluation of Interspecific Interaction between Encarsia Lutea and Eretomocerus Near Mundus, the Parasitoids of Cotton Whitefly (*Bemisia Tabaci*) With Host Discrimination
*Muhammad Arshad Ullah, Khalida Hamid Abbasi, Saadia Bano and Saeeda Khanum*………………………………………………………………1075

*Syed Ishfaq Ali Shah, Imtiaz Ali Khan, Zahid Hussain, Maqsood Shah, Amjad Usman and Amna Sadozai*…………………………………………………………………………………………1079

The Effect of Three Different Mulberry Varieties on Performance of Three Different *Bombyx mori* L. Races
*Syed Ishfaq Ali Shah, Imtiaz Ali Khan, Zahid Hussain, Shakeel Ahmad and Maaz Ahmad*……………………………………………………………………………………1085

Comparative Toxicity of Some Insecticides on 4th Instar Grub of *Coccinella septempunctata* L. under Laboratory Conditions
*Bhai Khan Solangi, Abdul Ghani Lanjar and Mohammad Khan Lohar*…………………………………………………………………………………………1091
Biological Parameters and Prey Consumption By Zigzag Beetle *Menochilus sexamaculatus* Against *Rhopalosiphum maidis*, *Aphis gossypii* and *Therioaphis trifolii*
*Bhai Khan Solangi, Muhammad Haroon Hullio and Naheed Baloch* .................................................................1097

Comparison of Three Silkworm Races Fed With Three Mulberry Varieties
*Syed Ishfaq Ali Shah, Imtiaz Ali Khan, Ifitikhar Ahmad, Maqsood Shah, and Zahid Hussain* ........................................1103

Fecundity, Fertility and Partenogenesis Behaviours of Grasshopper *Chrotogonus trachypterus*
ORTHOPTERA: *Pyromorphidae* under Laboratory Condition
*R.R.H. Awan, F.M. Kanher, Nisar A. Kanher, Saeed A. Tunio and Allah Bux Chhutto* ........................................1109

Egg Laying Preferences of *Poekilocerus pictus* Fab. in Different Types of Soil
*J.A. Umrani, T. S. Syed, Nisar. A. Kanher, F. M. Kanher and S. A. Tunio* .................................................................1113

Comparison of a Biopesticide with Some Synthetic Pesticides against Aphids in Rapeseed Crop
*Shakeel Ahmad, Imtiaz Ali Khan, Zahid Hussain, Syed Ishfaq Ali Shah and Maaz Ahmad* ........................................1117

**NUTRITION SCIENCES**

Comparative Storage Studies on the Organoleptic Attributes of Iron Fortified Whole Wheat Flour
*Sahib Alam, Majid Suhail Hashmi, Abdul Sattar Shah and Umbreen Latif Khan* ........................................................1121

Composition and Adulteration Analysis of Milk Samples
*Mohammad Ayub, Quasid Ahmad, Mohammad Abbas, Ihsan Maboood Qazi and Ifitikhar Alam Khattak* ........................1127

Effect of Stabilizers and Storage Time on the Overall Quality of Tomato Paste
*Abdul Sattar Shah, Sahib Alam, Malik Mohammad Hashmi, Majid Suhail Hashmi and Aysha Riaz* ........................................1127

Nutritional Qualities of Different Wheat Varieties Grown in NWFP
*Said Wahab, Saleem Khan, Mansoor Khan Khattak, Aurangzeb, Nazir Ahmad and Fozia Habib* ..................................................1131

Composition and Adulteration Analysis of Milk Samples
*Mohammad Ayub, Quasid Ahmad, Mohammad Abbas, Ihsan Maboood Qazi and Ifitikhar Alam Khattak* ........................1137

Prevalence of Diabetes Mellitus in Mirpur and Kotli Districts of Azad Jammu & Kashmir (Aj&K)
*Saleem Khan, M. Abbas, Fozia Habib, Ifitikhar A. Khattak, and N. Iqbal* .................................................................1141

**ANIMAL HUSBANDRY**

Biomass Production and Feed Quality of Three Summer Fodder Species Planted under Two Nitrogen Levels
*Habib, G., M. Akmal, Z. Luqman and N. Ahmad* ...........................................................................................................1145
RURAL SOCIAL SCIENCES

Marketing of Improved Seed of Wheat in the Punjab Province
Hassnain Shah, Qamar Mohy-ud-Din, Waqar Akhter and Muhammad Ansar .........................................................1151

Resource Degradation and Environmental Concerns in Pakistan’s Agriculture
Khalid Mustafa, Mussawar Shah, Naushad Khan, Rashid Khan and Inamullah Khan .................................................1159

Adoption of Farm Machinery; Fertilizer and Soil as Well as Plant Protection Measures
Mansoor Ahmad, Rubina Rauf, Muhammad Akram, Imtiaz Ali Khan and Akhtar Ali .......................................................1169

Role of Women in Vegetable Production: A Case Study of Four Selected Villages of District Abbottabad
Mansoor Ahmad, Khalid Nawab, Uzma Zaib, and Imtiaz Ali Khan ..................................................................................1173

Exchange Rate Response of Import Demand in Pakistan
Mohammad Afzal ..............................................................................................................................................................1181

Remittances as a Determinant of Import Function (An Empirical Evidence from Pakistan)
Munir Khan, Naem-ur-Rehman Khattak, Yahya Bakhtiar, Badshah Nawab, Tariq Rahim and Akhtar Ali .................................................................1187

Motivation of University Students for Smoking: A Study of Various Aspects
Salahuddin, Mohammad Iqbal, Zahid Hussain, M.F. Qadir and Qamaruz Zaman .................................................................1191

Remittances as a Determinant of Consumption Function (An Empirical Evidence from Pakistan)
Munir Khan, Tariq Rahim, Yahya Bakhtiar and Badshah Nawab ......................................................................................1195

An Analysis of Training Programmes of SRSP for Women Folks in NWFP Pakistan
Shaheen Nigar Shaukat, Humayun Khan and M. Aurangzeb .......................................................................................1199

The Impact of Micro Credit on Livestock Enterprise Development in District Abbottabad
(A Case of SRSP Micro Credit Programme)
Naushad Khan, Inayatullah Jan, Mujib Ur Rehman, Mahboob ul Latif and Akhtar Ali .................................................................1205

Impact of Trainings Imparted to Enhance Agricultural Production in District Mansehra
Mansoor Ahmad, Mushtaq Ahmad Jadoon, Imtiaz Ahmad and Humayun Khan .................................................................1211

Availability and Utilization of Primary Health Care Services in the Rural Areas of District Peshawar – A Case Study
Mujib-ur-Rehman, Naushad Khan and Muhammad Abbas .........................................................................................1217

Does Drugs Addiction Thwart the Psycho Social Fabrics of Personality and Family
Intikhab Alam, Rashid Khan, Mushtaq A. Jadoon, Maddeha Asghar and Zubair Shah ..........................................................1225

A Comparative Study of the Public Investment for Agricultural Development in Hokkaido and Private Investment
Mohammad Nasir and Akhtar Ali .......................................................................................................................................1229

Effect of Farmer Field Schools on Sugarcane Productivity in Malakand Agency
Mubashir Habib, Muhammad Zafarullah, Mahmood Iqbal, Khalid Nawab and Shahid Ali .....................................................1233

Food Security through Wheat Productivity in Pakistan
Mazher Abbas, A.D. Sheikh, Maqbool Shahbaz and Amna Afzaal ......................................................................................1239
